

As a reward to our clients who bring larger groups to the lodge the following program is being initiated for the 2012 season:

Any group of 10 or more adults (age 12 and over) will receive a \$100 credit for each individual in the reservation group. The credit can be applied to one individual's reservation, or it may be divided among any number of individuals within the reservation group. In addition, the following rules apply:

- The credit must be used in the same year as the reservation
- A reservation group may be spread across multiple groups, coming at different dates within the same season
- All persons receiving credit within the reservation group must stay at least 6 contiguous nights in the lodge
- The overall group must rent at least one boat per 4 people for a minimum of 5 days, including fishing packages, and fishing licenses as required (age 16 and up)
- If, due to cancellations, the reservation group drops below 10 individuals the credit will be withdrawn and the guests must repay Doc Warner's for the credits
- After the 2012 season the former program of bringing 15 paying adults and receiving 1 free trip will be discontinued. Also, this former program is only available in 2012 to those who had previously been "grandfathered" into it.
